ALVAND TILE

“Alvand ceramic and tile company”

Alvand tile company with more than three decades of good reputation in ceramic and tile industry and porcelain products, which has been working as a pioneer in both designing and manufacturing ceramic and tiles, has taken action in providing variable products to supply the needs of the domestic market and consumers.

This matter has been possible to approach by performing these following actions :

- Using the most updated technology in three independent and divided factories (updating the production lines)
- Completing the product portfolio (wall tiles, floor ceramic, porcelain products and decorative pieces)
- Providing luxurious and sumptuous products (full polished porcelain, matte and glossy ceramics in different sizes, like 100*100, 60*120, 80*80)
- Innovation in size, design, and colors of the products
- Branding, in order to fulfill all customers with different tastes
